

SILENCE MAKES YOU SICK

SPEAK UP!

Children don't talk about sexual abuse, so we have to. If you're worried about someone's behaviour with a child, or secretive use of chat rooms, social media platforms or illegal websites, the sooner you act, the sooner you can prevent abuse. If you suspect that someone you know may be sexually abusing a child, you can speak confidentially to someone on the NSPCC helpline, or for more information visit our website.
