

MYTH - CHILD SEXUAL ABUSE WON'T HAPPEN TO MY CHILD

TRUTH - ABUSE OCCURS AT EVERY SOCIOECONOMIC LEVEL, ALL ETHNICITIES, ALL FAMILY SIZES, ALL RELIGIONS AND ALL LEVELS OF EDUCATION.

Children don't talk about sexual abuse, so we have to. Over 90% of abuse is carried out by someone you know or known to the family. If you're worried about someone's behaviour with a child, or secretive use of chat rooms, social media platforms or illegal websites, the sooner you act the sooner you can prevent abuse from happening. If you suspect that someone you know may be sexually abusing a child, you must contact the police or speak confidentially to someone on the NSPCC Helpline. To learn more about child sexual abuse, and prevention education visit our NNECA website.
